## COMPANY PROFILE

# DAY GROUP

Factory: M H Tower, 21 Vogra,  
Gazipursadar, Gazipur

In the year 1995 Day Group started its journey with a vision to be a leading garments manufacturer in Bangladesh. Day Apparels Ltd. was the 1<sup>st</sup> concern of Day Group with the total workforces of 300 and 150 machines and now in 2018, it is a group of 9 sister concern and 3000 workforces. Starting with a single drop, now Day Group is one of the fastest growing business groups in Bangladesh and going forward with the commitment of quality products to its client in time and providing work place with the excellent working atmosphere and workforce. Day Group has grown leaps and bounds ever since being in the lineage of fashion apparels and garments. It is an organization that offers acceptable standards for quality products with an affordable price with a focus towards professionalism. The organization has earned the distinction as manufacturers of products that are designed with comfort in mind and style with attention to most intricate details. We are with the earnestness in our endeavor, realizing the importance of our customers and to facilitate them by mobilizing products to their availability.

A modern and comprehensive manufacturing infrastructure has a hand in its spectacular growth. Backed by the advanced technological innovations in the form of latest machinery imported from Japan and other advanced countries. Day Group is manned by trained personnel and strict quality control at each stage of manufacturing. That harnesses the power of superior technology to mass-produce quality garments. Its spacious and modernized production unit, equipped with own substation and generator backup, ensures strict compliance of quality and production schedules.
